

2018+ Jeep JL Wrangler Cowl Mount LED Bracket Kit

Brackets Only

Cowl Mount LED Bracket Kit

Features

- CAD-designed for perfect fitment on 2018+ Jeep JL Wrangler.
- Features multiple mounting points for endless mounting options.
- Compatible with any pod, worklight, or small light bar.
- When a set of standard pods is mounted on the outer slot, they allow you to still fold down the windshield.
- Includes OEM-style automotive grade hardware designed specifically for this kit.
- Utilizes existing mounting points for easy installation - no cutting or drilling required.
- Highly durable powdercoated steel construction.
