Brackets Only Installed

SS3 Cowl Mount LED Bracket Kit

SS3 Cowl Mount LED Bracket Kit Installed

Features

- CAD-designed for perfect fitment on 2018+ Jeep JL Wrangler & 2020 Jeep Gladiator
- Features multiple mounting points for endless mounting options
- Compatible with any pod, worklight, or small light bar
- When a set of standard pods is mounted on the outer slot, they allow you to still fold down the windshield
- Includes OEM-style automotive grade hardware designed specifically for this kit
- Utilizes existing mounting points for easy installation - no cutting or drilling required
- Highly durable powdercoated steel construction
