

Race Contingency Program

Requirements

Eligibility Requirements:

- Vehicle Types: UTV, Truck, or Rally vehicle
- Finishing Position: 1st or 2nd place in an approved race and class
- Class Size: Minimum of 5 entries per class
- Class Separation: National and regional rally entries are considered separate classes

Decal Placement:

- UTV: Two 6" DD decals on the left and right sides
- Truck: Two 6" DD decals on the left and right sides, plus two 6" DD decals forward-facing (headlight location preferred)
- Rally: Two 6" DD decals on the left and right sides

Lighting Requirements:

- Diode Dynamics must be the exclusive lighting provider (exception: linear rear-facing chase light).
- Vehicle must be equipped with a minimum of two pod lights or one light bar for forward-projected lighting.
- Minimum lighting requirements must be mounted and visible on the vehicle at all times throughout the race.

Claim

Claim Submission Requirements:

To claim your payout, email your completed claim form to Sponsorships@diodedynamics.com with the following supporting documents and deliverables:

- Completed Claim Form
- Social Media Post:
 - Link to a social post tagging the appropriate Diode Dynamics accounts
 - Post must focus on Diode Dynamics lighting
 - Must be published within one week before or one week after the race
- Driver Testimonial Video (Minimum one per calendar year)
 - Driver in focus with race vehicle in the background is preferred
 - Explain why you chose Diode Dynamics lighting, which lights you use, and how they improve your performance
 - By submitting, you authorize Diode Dynamics to use the content at their discretion
- Verification Photo:
 - Vehicle in the podium area with required decals and lights visible
- Completed W-9 Form (One needed per calendar year)

Submissions without all required documents and deliverables will be considered incomplete. Contingency redemption requests must be received within 60 days of the event start date to be eligible.
